[OTHER] – Presenting the results of the mailing tool study to the communication and DTS teams.

TECHLAB

PEOPLE 2 Fullstack developers

2 interns full stack developers

1 project manager + 1 developer (hiring process ongoing)

PROCESSES

After DTS, we will put internal procedures to organize work and handle requests.

ORGANIZATION

Setting up a new file to manage and track the purchase demands

Getting our own servers with ACS (Ongoing) - See 'alerts' section.

Work is done on their own machines; need servers to centralize work (Ongoing with ACS)
