HIGHLIGHTS OF THE WEEK

- [StartUp Hub] – Meeting with the entire STARTGATE team regarding the future platform startgate.ma.
- [Startup Hub] – Communication of the first backlog and the proposed functional architecture
- [THEFORGE] – Workshop to improve the website content
- [DTS] – Create satisfaction survey form to DTS participants
- [Startup Report] – Purchase domain name 'startupreport.ma'.
- [StartupReport] – Sharing of the documentation with UM6P IT for VM creation
- [StartupReport] – Finalization of the development and communication to Rania for feedback.
- [THEFORGE] – Integration of the requested changes by The Forge team on the website.

IMPEDIMENTS & ALERTS

TECHLAB

PEOPLE 2 Fullstack developers

- 2 interns full stack developers
- 1 project manager + 1 developer (hiring process ongoing)

PROCESSES

After DTS, we will put internal procedures to organize work and handle requests.

ORGANIZATION

- Setting up a new file to manage and track the purchase demands
- Getting our own servers with ACS (Ongoing) - See 'alerts' section.
- Work is done on their own machines; need servers to centralize work (Ongoing with ACS)

NEXT WEEK

- [STARTUP HUB] – Receiving feedback from the STARTGATE team on the functional architecture and backlog.
- [STARTUP REPORT] – Deployment on the cloud while awaiting feedback from the IT team
- [STARTUP HUB] – Finalizing the workshop dates along with a general project timeline
- [THEFORGE] – Receiving feedback on the website enhancements.
- [DTS] – Extraction of the satisfaction survey results
- [OTHER] - Launch of interviews for the positions (Project Manager & Full stack Developer)
